

Daily Living Support (DLS) – Full- and Part-Time Positions available!

Enjoy working with people? Want to make a positive difference in someone's day to day life? Looking for a change in your career that will add meaning to your work?

At Break of Day Mental Health Group, Inc., we strive to provide the best, highest quality services to our consumers, while creating a supportive environment for staff and consumers that encourages personal and professional growth. We believe that everyone has potential to be successful, and reaching any goal, personal or professional, is possible with the right support and encouragement.

We are currently looking for Male and Female, full and part-time Daily Living Support services (DLS) staff to serve our clients multiple areas. This position provides direct support to adults with severe and persistent mental illness in the community and the consumers' homes. We follow a person-centered psychosocial rehabilitation model in our work with consumers. DLS staff work side by side with clients to access community and social support resources, develop daily living skills such as personal care, budgeting, home maintenance and organization, daily routines, meal planning, emotional and physical self-care, and coping skill development. DLS workers help motivate and support clients to meet personal recovery goals by assisting to break down goals into smaller, manageable tasks and addressing these tasks one step at a time.

Come join our team to experience the best of both worlds: flexible scheduling to meet your personal needs, and great career development and educational opportunities to meet your professional needs. We have a great clinical and supervisory support team to help you grow professionally, and to help you provide the best Daily Living Support services possible. We provide all paid training needed to achieve an MHRT/1 certification, as well as ongoing paid training to maintain your certification.

We offer a competitive compensation package that includes opportunities for career growth and performance bonuses. Benefits are available to qualified staff and include paid time off, paid holidays and a variety of insurances (dental, health, life, and other coverages). We also offer paid travel time, mileage reimbursement, as well as career development and educational opportunities for all of our staff (part or full time) – including opportunities to take MHRT/C certification courses when available, available at no cost to eligible team members!

The ideal candidate will have some direct services experience in the mental health field; however, we are always interested in training the right candidates. Since this is a community based position, travel is required. High School diploma or GED required, as well as valid driver's license, reliable transportation and insurance. Good communication, organization, time management and customer service skills are required. Some weekend availability a must. DHHS, criminal history and DMV history checks are conducted, and are a condition of employment.

Applications will be accepted until the positions are filled. Please send a completed application to Break of Day Mental Health Group, Inc., Attention: Human Resources, 343 Birch Point Rd., Wiscasset, Maine 04578. Phone: 207-882-6594; Fax: 207-687-2233 or 207-687-2234; email: hr@breakofdaymhg.com.
