

Skills Development (SD) – Full- and Part-Time Positions available!

At Break of Day Mental Health Group, Inc., we strive to provide the best, highest quality services to our consumers, while creating a supportive environment for staff and consumers that encourages personal and professional growth. We believe that everyone has potential to be successful, and reaching any goal, personal or professional, is possible with the right support and encouragement.

We are currently looking for Male and Female, full and part-time Skills Development services (SD) staff to serve our clients in multiple areas. This position provides direct support to adults with severe and persistent mental illness in the community and the consumers' homes. We follow a person-centered psychosocial rehabilitation model in our work with consumers. SD staff work side by side with clients in the home and in the community to develop the social, financial, interpersonal, functional and coping skills needed to achieve a higher level of independence in the client's community of choice. SD workers help consumers reach their personal recovery goals through teaching a variety of practical and interpersonal skills. SD team members motivate and support clients to meet personal recovery goals by assisting to break down goals into smaller, manageable tasks and addressing these tasks one step at a time.

Come join our team to experience the best of both worlds: flexible scheduling to meet your personal needs, and great career development and educational opportunities to meet your professional needs. We have a great clinical and supervisory support team to help you grow professionally, and to help you provide the best Skills Development services possible.

We offer a competitive compensation package that includes opportunities for career growth and performance bonuses. Benefits are available to qualified staff and include paid time off, paid holidays and a variety of insurances (dental, health, life, and other coverages). We also offer paid travel time, mileage reimbursement, as well as career development and educational opportunities for all of our staff (part or full time) – including opportunities to take MHRT/C certification courses when available, available at no cost to eligible, provisionally certified team members!

The ideal candidate will have some direct services experience in the mental health field; however, we are always interested in training the right candidates. Since this is a community based position, travel is required. An MHRT/C or MHRT/C-provisional certification is required, as well as valid driver's license, reliable transportation and insurance. Good communication, organization, time management and customer service skills are required. Some weekend availability a must. DHHS, criminal history and DMV history checks are conducted, and are a condition of employment.

Applications will be accepted until the positions are filled. Please send a completed application and resume to Break of Day Mental Health Group, Inc., Attention: Human Resources, 343 Birch Point Rd., Wiscasset, Maine 04578. Phone: 207-882-6594; Fax: 207-687-2233 or 207-687-2234; email: hr@breakofdaymhg.com; Applications can be found on our website at www.breakofdaymhg.com/employment.htm
